BSF-125

BCC-15CS

This hand-held shower filter is designed to reduce chlorine, chloramines, and other synthetic chemicals, it also helps reduce the risks related to absorption and inhalation of toxic and dangerous chemicals, transforming your shower into a spa-like experience while promoting softer skin and hair.

Designed for effortless attachment to most standard hand-held shower heads, no tools or plumbing modifications required. Its compact, lightweight form makes it ideal for residential and commercial settings alike: homes, hotels, fitness clubs, spas, barber shops, golf courses, swimming pools, and more.

With an hand-held shower filter, you can enjoy softer, healthier skin and hair, reduced dryness and flakiness, minimized unpleasant water odors, and less fading of color-treated hair.

Enjoy the benefits of premium shower filtration and elevate your daily routine with a shower that leaves you feeling refreshed and revitalized.
