

SHOWER FILTERS SERIES

PREMIUM IN-LINE SHOWER FILTER

BSF-123FM : In-line Shower Filter
BCC-35CS : Replacement Cartridge for BSF-123FM Inline Shower Filter

BSF-123FM

BCC-35CS

This in-line shower filter is designed to reduce chlorine and other synthetic chemicals, transforming your shower into a spa-like experience while promoting softer skin and hair. Pair this shower filter with your preferred showerhead, this premium shower filtration system helps eliminate unpleasant odors and unwanted chemicals from your water.

Chlorine, a common disinfectant used by municipal water treatment facilities to eliminate harmful microbes, can have detrimental effects on your skin and hair when present in high levels. By choosing this in-line shower filter, you can protect your body from the harsh chemicals that may be in your water and enjoy a spa-like experience from the comfort of your own home.

With an in-line shower filter, you can enjoy softer, healthier skin and hair, reduced dryness and flakiness, minimized unpleasant water odors, and less fading of color-treated hair.

Enjoy the benefits of premium shower filtration and elevate your daily routine with a shower that leaves you feeling refreshed and revitalized.

Simple filter replacement.

WARNING: Not for Drinking Water Applications.
